

**Curriculum Vitae**  
**December 2008**

<b>PERSONAL INFORMATION</b>
-----------------------------

**Name:** Gianluca Zanini  
**Address:** Via Postcastello, 10  
I – 21013 Gallarate (VA)  
ITALY

Telephone: +39-0331-1771169; Mobile: +39-328-4057353; Fax: +39-02-700441537  
E-mail: gianluca\_zanini\_md@hotmail.com  
Nationality: Italian  
Place and date of birth: Albenga (SV), 1 March 1967  
Fiscal Code: ZNN GLC 67C01 A145I

**Licenses**

Ordine Provinciale dei Medici Chirurghi e Odontoiatri di Varese (Provincial Register of Varese of Medical Doctors) since 10/27/08, membership card N° 06753  
BIG - Register (Dutch National Register of Medical Doctor) since May 2003, registration N° 09058353301

**Membership**

SIRM (Italian Society of Medical Radiology) since 1996 Membership card N° 11867  
ESR (European Society of Radiology) since January 2008  
UNUCI (National Union of Officer of the Italian Army) since Augustus 1996  
ANAE (National Association of Light Aviation Army) since February 2008

## EDUCATION AND TRAINING

- 1996-2000: Specialization School, Università degli Studi di Brescia. Specialist Diploma: 9 November 2000. Title: Specialist in radiology, radio diagnostics
- 10 November 1994 - II Session: Faculty of medicine and surgery, Università degli Studi di Milano. National License for medical professional practice
- 1986-1994: Faculty of medicine and surgery, Università degli Studi di Milano. Graduation diploma: 13 October 1994. Title: Doctor in medicine and surgery

### Congresses

- 16 - 17 September 2004, “9<sup>th</sup> Nederlandse Radiologendagen (Dutch national days of radiology)”, NVvR (Dutch Society of Radiologist), Noordwijkerhout (The Netherlands)
- 2 - 3 October 2003, “8<sup>th</sup> Nederlandse Radiologendagen (Dutch national days of radiology)”, NVvR (Dutch Society of Radiologist), Noordwijkerhout (The Netherlands)
- 4 - 6 September 2003, “XVI International Congress of Head and Neck Radiology”, Frankfurt am Main (Germany)
- 24 - 27 August 2000, 4<sup>th</sup> Joint CED/NOF Congress, Warszawa (Polska);
- 10 - 14 June 2000, “XXXIX National Congress of SIRM (Italian Society of Medical Radiology)”, Milano, Italy
- 17-19 March 1999, “Brescian days of thoraxical radiology and IX updating course”, Brescia, Italy
- 23-27 May 1998, “XXXVIII National Congress of SIRM (Italian Society of Medical Radiology)”, Milano, Italy
- 17-18 April 1998, “VI National Congress CIOSM (Italian Club of Musculoskeletal Oncology), Brescia, Italy
- 14 March 1998, “First NIEC Congress. Diagnosis and treatment of portal hypertension: novelties and prospective”, New Italian Endoscopy Club, Spedali Civili, Brescia, Italy
- 11-12 March 1998, “Residential course of cardiac MRI”, Pavia, Italy
- 19-21 March 1997, “Brescian days of thoraxical radiology and VIII updating course”, SIRM, Brescia, Italy

### Congress Presentation

- 24 - 27 August 2000, 4<sup>th</sup> Joint CED/NOF IADR Congress, Warsaw (Poland):
  - Poster (051): “Joint effusion in temporo-mandibular disease. A Magnetic Resonance Imaging study”
  - Poster (060): “Joint effusion in painful temporo-mandibular disorder patients”

## Courses

- 11 November 2006, “The perfusione CT: clinical application in neuroradiology, Ospedale S. Gerardo, Monza (MI), Italy
- 21 - 22 December 2004, “Skills training Advanced Life Support”, Meduca, Purmerend (The Netherlands)
- 2 June 2004, “Course for Doctors: infection prevention”, Erasmus Medisch Centrum, Rotterdam (The Netherlands)
- 23 November 2002, “Basic Course in palliative therapy”, Ospedale Maggiore, Crema (CR), Italy
- 9 e 30 November 2002, “Interdisciplinary and multispecialist view of Cervical Pathology”, Ospedale Maggiore, Crema (CR), Italy
- 5 October 2002, “Lung Cancer: diagnosis and indication to the surgical treatment”, Ospedale Maggiore, Crema (CR), Italy
- 21 November 2001, “Basic Life Support course for operator B Category ”, IRC, A.O. Crema “Stefano Galli”, Crema (CR), Italy
- 27 October 2001, “XXII Interhospital meeting of Cremona Province. “Surgery emergency: specialist view”, Ospedale Maggiore, Crema (CR), Italy
- 20 October 2001, “Multidisciplinary approach to the cranial trauma patient”, Azienda Istituti Ospitalieri of Cremona, Italy
- 17-20 May 2000, “Head and Neck Imaging and Intervention - The Challenge of the New Millennium”, ESDIR (European Seminars on Diagnostic and Interventional Radiology), Brescia, Italy
- 14 April 2000, “Diagnostics imaging of pancreas and biliary disease”, Treviglio (BG), Italy
- 8 May 1999, “Clinics and radiologists: important questions and convincing answers”, Brescia, Italy
- 24 April 1999, “Neuroendocrinal gastro-enthero-pancreatic tumors in clinical practice”, Brescia, Italy
- 12 February 1999, “Basic course of magnetic resonance”, Modena, Italy
- 19-20 November 1998, “Integrated images Diagnostics in liver diseases”, Pavia, Italy
- 24-28 October 1998, “Training course in ultrasonology”, SIUMB (Italian Society of Ultrasonology in Medicine and Biology), Salsomaggiore Terme (PR), Italy
- 15-16 October 1998, “Pleura 98: Medical thoracoscopy of mesotelioma”, Brescia, Italy
- 3 October 1998, “Main joints imaging” , Riva del Garda (TN), Italy
- 28 September 1998, “Digital imaging update: image management and abdominal applications”, Brescia, Italy
- 9 June 1998, “Updating in interventional angiography”, Treviglio (BG), Italy
- 8 June 1998, Brescia, “CT and MR Vascular disease: practical application”, Brescia, Italy
- 9 May 1998, “Hepatocarcinoma”, Sacro Cuore – Don Calabria, Negrar (VA), Italy
- 9-10 March 1998, “Residential course of musculoskeletal MRI”, Pavia, Italy
- 28 October 1997, “The multiple applications of radiology and interventional neuroradiology”, Società Medico Chirurgica Bresciana, Brescia, Italy
- 14 June 1997, “Itinerant course of digital radiology”, University of Study, Siena, Italy
- 13 June 1997, “National Meeting of digital radiology”, University of Study, Siena, Italy
- 26 May 1997, “Second osteo-articular full immersion. Musculoskeletal radiology: diagnostic updating”, Spedali Civili, Brescia, Italy

- 17 April 1997, “Cancer of the colon rectum”, Società Medico Chirurgica Bresciana, Brescia, Italy

<b>WORK EXPERIENCE</b>
------------------------

- 01 September 2008 – present time: Freelance radiologist at private ambulatories in the province of Varese, Italy
- 16 March 2008 – present position: Staff Radiologist, Department of Radiology, Sant’Antonio Abate Hospital, Gallarate (VA), Italy
- 01 Augustus 2005 - 16 March 2008: Staff Radiologist, Department of Radiology, San Gerardo Hospital, Academic Hospital, Monza (MI), Italy
- 18 April 2005 - 31 July 2005: Staff Radiologist, Department of Radiology, S. Pellegrino Hospital, Castiglione delle Stiviere (MN), Italy
- 1 June 2004 - 1 December 2004: Staff Radiologist, Department of Radiology, Erasmus Medisch Centrum, Academic Hospital, Rotterdam (The Netherlands)
- 1 June 2003 - 31 May 2004: Staff Radiologist, Department of Radiology, Leids Universitair Medisch Centrum (LUMC), Academic Hospital, Leiden (The Netherlands)
- 4 December 2000 - 31 May 2003: Staff Radiologist, Department of Radiology, Ospedale Maggiore di Crema, Crema (CR), Italy
- November 1996 - 09 November 2000: Resident Diagnostic Radiology, Department of Radiology, Spedali Civili di Brescia, Brescia, Italy
- 1 December 1996 - 05 March 1997: Family Doctor within the national health service, U.S.S.L 14 (Local Social Health Unit), Crema (CR), Italy
- 1 August 1996 - 28 February 1997: internal Medical Guard, Crema’s Benefactors Foundation, Crema (CR), Italy
- 1 May 1996 - 30 November 1996: territorial emergency doctor, U.S.S.L 14 (Local Social Health Unit), Crema (CR), Italy
- 09 October 1995 - 14 August 1996: Military Medical Officer, Italian Army, Military Health Corp
- 1 March 1995 - 30 April 1995: territorial emergency doctor, U.S.S.L 14 (Local Social Health Unit), Crema (CR), Italy
- 14 February 1995 - 29 April 1995: Family Doctor within the national health service, U.S.S.L 14 (Local Social Health Unit), Crema (CR), Italy

## PERSONAL SKILLS AND COMPETENCES

### Knowledge and technical skills

- Excellent Skills in the principal radiological methodology: conventional (thoracic, abdominal, musculoskeletal radiology), contrast media (gastro enteric, urogenital, defecation), ultrasonography (abdomen and soft tissue), multislice CT (body, angiology, trauma, neuro)
- Good skills in neuroradiology with CT and MRI working in The Netherland (May 2003 - November 2004)
- Good skills of mini-invasive interventional echography of neck and abdomen since September 2004
- Excellent skills with instruments and applications of PACS, HIS and RIS in English, Dutch and Italian since May 2003, included respective work stations of imaging elaboration
- Excellent skills in digital reporting in English, Dutch and Italian since May 2003
- Good skills of tutoring for students and Residents, Department of Radiology at Leiden, Rotterdam and Monza academic hospital, location of Specialization of Radiodiagnostic and academic activity of the respective Medicine Faculty
- Good and of many years skills in using the PC and principal application programs, as well as mailing and internet

### Social skills and character

- Excellent social, relational and communication skills in working in team with Colleagues and collaborators of different level involved, in national and international, multicultural and multilanguage environment, as well as working sphere as university cultural association
- Excellent skills on dealing procedure and organization problems of daily department activity and founding alternative and innovative solutions.

### Language knowledge

Mother tongue: Italian  
Other language: English    excellent  
                          French     excellent  
                          Dutch     good  
                          Spanish    elementary

**Driving license:**     A and B since 1985

Gallarate, Italy, December 2008
